

Manufacturing Plant Services Associate

Precision Marshall is seeking conscientious applicants for a Full-Time Plant Services Associate. This position is responsible for light building maintenance and industrial janitorial duties.

The successful candidate must be willing to work around heavy machinery and equipment, have a can-do attitude and be willing to do light painting, sweeping and cleaning on the production floor.

Normal daylight hours – Monday thru Friday occasional weekend hours.
Opportunity for additional hours as special projects arise.

This position includes an excellent and comprehensive paid medical, dental, paid time off and retirement benefit package for the employee and their family.

Must be able to pass a health and drug screening and be willing to learn the functions of the position.

Applications can be obtained at 99 Berry Road, Washington, PA 15301 or on line at pmsteel.com. Please specify Plant Service Associate on the application for position desired. Completed applications and references can be returned to Precision Marshall or emailed to careers@pmsteel.com

PHONE INQUIRES WILL NOT BE ACCEPTED
